

CYANOACRYLATE REMOVER PART NO. 46020

DESCRIPTION

Dynatex® Cyanoacrylate Remover quickly softens and dissolves cured and uncured adhesive from unwanted areas. *Dynatex® Cyanoacrylate Remover* is an essential product for industrial manufacturing production involving the use of cyanoacrylates.

PHYSICAL PROPERTIES

Solvent Based	Nitromethane
Appearance.....	Colorless Liquid
Boiling Point.....	214 ⁰ F
Flash Point (TCC)	96 ⁰ F
Viscosity (cps @ 68 ⁰ F)	1 cP
Specific Gravity	1.14
Storage	Must be stored in a cool, dry place

APPLICATIONS

Used in the removal of unwanted instant glue from metal, plastic and rubber surfaces in industrial manufacturing environments.

Allow several minutes after application of *Dynatex® Cyanoacrylate Remover* before cleaning or wiping away from substrate surface.

Depending on the quantity of adhesive being removed additional application of *Dynatex® Cyanoacrylate Remover* would be necessary.

Thoroughly soak cloth with *Dynatex® Cyanoacrylate Remover* when using. When attempting to remove bonded parts, soaking them for an extended time would be necessary for disassembly.

Test *Dynatex® Cyanoacrylate Remover* on plastic for compatibility prior to use.

USERS PLEASE READ

The information and data contained herein is believed to be accurate and reliable; however, it is the user's responsibility to determine suitability of use. Since the supplier cannot know all the uses, or the conditions of use to which these products may be exposed, no warranties concerning the fitness or suitability for a particular use or purpose are made.

It is the user's responsibility to thoroughly test any proposed use of our products and independently conclude satisfactory performance in the application.

Likewise, if the application, product specifications or manner in which our products are used require government approval or clearance, it is the sole responsibility of the user to obtain sure authorization.

The supplier warrants only that its products will meet its specifications. There is no use, nor any other express or implied warranty. The users exclusive remedy and the suppliers sole liability is limited to refund of the purchase price or replacement of any product when to be otherwise than as warranted. The supplier will not be liable for incidental or consequential damages of any kind.

Suggestions of uses should not be taken as inducements to infringe any patents.
